SUBJECT INDEX

Anthology. 237, September.

Awards. 272, September.

BOOK REVIEWS

Atmospheric Pollutants in Natural Waters. Edited by Steven J. Eiesenyeich, 81, March.

Chemistry of Natural Waters. By Samuel D. Faust and Osrnan M. Aly, 82, March.

Chemistry in Water Reuse. Edited by William J. Cooper, 180, June.

Energy Use and Conservation in the Water Industry. A symoposium by the Institution of Water Engineers and Scientists, 6-8 Sackville St., Piccadilly, London, WIXIDD, England, 82, March.

Fluid Flow — Pump, pipes and channels. By Nicholas P. Cheremisinoff, 80, March.

Fundamental Hydraulics — For Water Utility, Waste Water and Fire Department Personnel. By William D. Monie, 80, March.

Recreation: Water and Land. Institution of Water Engineers and Scientists, 6-8 Sackville St., Piccadilly, London, WIXIDD, England, 179, June.

Subsurface Wastewater Injection. By Lehr and Warner, 82, March.

Water Treatment Plant Operation Series. Four books in set, by Ann Arbor Science Publishers, Inc., 180, June.

Water Well Specifications. National Water Well Association, 83, March.

Cape Cod Aquifer, Cape Cod, Massachusetts. By Barbara J. Ryan, 25, March.

Celebration Co., Limited, The Great Centennial. 266, September.

Centennial Celebration Co., Limited, The Great. 266, September.

Connecticut River near Northfield, Massachusetts, Seasonal Changes of Dissolved Sodium in the. By Gary A. Kane and Edward J. Calabrese, 127, June.

Construction of the Pennichuck Water Treatment Plant, Design and.
The Owner's View — By John C. Collins, 84, June.
The Equipment Suppliers View — By Charles H. Thorborg, 88, June.
The Engineer's View — By Leroy W. Long, 97, June.
The Construction Manager's View — By Robert T. Koopman, 100, June.

Construction, Operation and Maintenance of Gravel Wells. By Richard W. Sullivan, 12, March.

Corrosion Regulations — Their Basis and Impacts, New EPA Sodium and. By John C. Thompson, 104, June.

Contamination — A case Study, Engineering and Legal Ramifications of Groundwater. By George R. Allan, 329, December.

Contamination of a Glacial Aquifier at Pease Air Force Base, Portsmouth, New Hampshire. By Edward Bradley, 109, June.

Cost-Benefit Analysis in Environmental Regulations, The Limitations of. — Keynote address. By Douglas M. Costle, 1, March.

Cost of Service Studies, Current Trends in. By Vito F. Pennacchio, 55, March.

Current Trends in Cost of Service Studies. By Vito F. Pennacchio, 55, March.

Design and Construction of the Pennichuck Water Treatment Plant.
The Owner's View — By John C. Collins, 84, June.
The Equipment Suppliers View — By Charles H. Thorborg, 88, June.
The Engineer's View — By Leroy W. Long, 97, June.
The Construction Manager's View — By Robert T. Koopman, 100, June.

Editors, Secretaries and Treasurers, 260, September.

Emergency Response — A Case for Risk Determination. By W. Clough Toppan, 151, June.

Engineer, Memoir of an. 234, September.

Engineering and Legal Ramifications of Groundwater Contamination — A Case Study. By George R. Allan, 329, December.

Environmental Regulations, The Limitations of Cost-Benefit Analysis in. — Keynote Address. By Douglas M. Costle, 1, March.

EPA and Water Supply — Present and Future. By Lester A. Sutton, 135, June.

EPA Sodium and Corrosion Regulations — New. Their Basis and Impacts. By John C. Thompson, 104, June.

Eutrophication and Management, Reservoir. By Lee Lyman, 353, December.

Financing Through A Water Bank, Water Bank, Water Utility. By Robert T. Symonds, 61, March.

Future EPA and Water Supply — Present and. By Lester A. Sutton, 135, June.

Gallery of Presidents, 253, September.

Glacial Aquifier at Pease Air Force Base, Portsmouth, New Hampshire, Contamination of a. By Edward Bradley, 109, June.

Gravel Wells, Construction. Operation and Maintenance of. By Richard W. Sullivan, 12, March.

Great Centennial Celebration Co., Limited, The. 266, September.

Groundwater Contamination — A Case Study, Engineering and Legal Ramifications of. By George R. Allan, 329, December.

Groundwater Protection on the Local Level. By Judith K. Chanoux, 310, December.

Honorary Members, 261, September.

Hundred Years, A Remarkable. 181, September.

Increasing Rockport's Water Supply. By Donald Atkinson and John F. Shawcross, 337, December.

Janjigian, Portrait of President Papken V., *Frontispiece,* March.

Journal Contributions, 285, September.

Legal Ramifications of Groundwater Contamination — A Case Study, Engineering and. By George R. Allan, 329, December.

Liability of Toxic Chemical Contamination of Water Supplies, Management of Risk and. By Richard T. Allen, Charles I. Judkins and William E. McQueeney, 286, December.

Look Back and a Look Ahead, Water Supply — A. By J. Willcox Brown, 140, June.

Maintenance of Gravel Wells, Construction, Operation and. By Richard W. Sullivan, 12, March.

Management is...Getting Things Done...Through Negotiation. By Gerald Del Vecchio, 298, December.

Management, Reservoir Eutrophication and. By Lee Lyman, 353, December.

Massachusetts, Cape Cod Aquifer, Cape Cod. By Barbara J. Ryan, 25, March.

Members, Honorary. 261, September.

Membership List. Last Section, September.

Memoir of an Engineer, 234, September.

National Drinking Water Advisory Council and Water Utility Council — What Do They Do? By Frederick H. Elwell, P.E., 146, June.

Negotiation, Management is...Getting Things Done...Through. By Gerald Del Vicchio, 298, December.

Annual Conference, 1982 (Centenial) 376

Northfield, Massachusetts, Seasonal Changes of Dissolved Sodium in the Connecticut River near. By Gary A. Kane and Edward J. Calabrese, 127, June.

Operation and Maintenance of Gravel Wells, Construction. By Richard W. Sullivan, 12, March.

Pease Air Force Base, Portsmouth, New Hampshire, Contamination of a Glacial Aquifier at. By Edward Bradley, 109, June.

Pennichuck Water Treatment Plant, Design and Construction of the.
The Owner's View — By John C. Collins, 84, June.
The Equipment Suppliers View — By Charles H. Thorborg, 88, June.
The Engineer's View — By Leroy W. Long, 97, June.
The Construction Manager's View — By Robert T. Koopman, 100, June.

Portfolio, Picture. 229, September.

Portrait of President Papken V. Janjigian, *Frontispiece,* March.

Portsmouth, New Hampshire, Contamination of a Glacial Aquifier at Peace Air Force Base. By Edward Bradley, 109, June.

Present and Future — EPA and Water Supply. By Lester A. Sutton, 135, June.

Presidents, Gallery of. 253, September.

Proceedings — Report of Technical Committees (1981)
Report of Committee on Water Quality and Treatment, 69, March.
Report of Committee on Conservation, Development and Utilization of Water Resources, 71, March.
Report of Committee on Education and Certification of Water Works Personnel, 75, March.
Report of Committee on Prestressed Concrete Water Tanks, 76, March.
Report of Committee on Flexible Membrane Linings and Covers for Potable Water Reservoirs, 77, March.

Report of Committee on Iron and Aluminum Salts, 78, March.
Report of Committee on Carbon Dioxide, 79, March.
Report of Committee on Water Rates for Investor-Owned Water Companies — (July 1980 - July 1981), 161, June.

Protection,---An Ounce of Protection, Source. By James A. Dohrman, 322, December.

Protection on the Local Level, Groundwater. By Judith D. Chanoux, 310, December.

Regulations, The Limitations of Cost-Benefit Analysis in Environmental. Keynote Address. By Douglas M. Costle, 1, March.

Remarkable Hundred Years, A. 181, September.

Reservoir Eutrophication and Management. By Lee Lyman, 353, December.

Risk and Liability of Toxic Chemical Contamination of Water Supplies, Management of. By Richard T. Allen, Charles I. Judkins and William E. McQueeney, 286, December.

Risk Determination, Emergency Response — A Case for. By W. Clough Toppan, 151, June.

Rockport's Water Supply, Increasing. By Donald Atkinson and John F. Shawcross, 337, December.

Seasonal Changes of Dissolved Sodium in the Connecticut River near Northfield, Massachusetts. By Gary A. Kane and Edward J. Calabrese, 127, June.

Secretaries and Treasurers, Editors. 260, September.

Sodium and Corrosion Regulations — Their Basis and Impacts, New EPA. By John C. Thompson, 104, June.

Sodium in the Connecticut River near Northfield, Massachusetts, Seasonal Changes of Dissolved. By Gary A. Kane and Edward J. Calabrese, 127, June.

Source Protection — An Ounce of Protection. By James A. Dohrman, 322, December.

Studies, Current Trends in Cost of Service. By Vito F. Pennacchio, 55, September.

Toxic Chemical Contamination of Water Supplies, Management of Risk and Liability of. By Richard T. Allen, Charles I. Judkins and William E. McQueeney, 286, December.

Treasurers, Editors, Secretaries and. 260, September.

Utility Financing Through A Water Bank, Water. By Robert T. Symonds, 61, March.

Utility Organizations About? What Are the. By John Porter Hennings, 8, March.

Water Advisory Council and Water Utility Council — What Do They Do? National Drinking. By Frederick H. Elwell, P.E., 146, June.

Water Bank, Water Utility Financing Through A. By Robert T. Symonds, 61, March.

Water Supply — A Look Back and a Look Ahead. By J. Willcox Brown, 140, June.

Water Utility Council — What Do They Do?, National Drinking Water Advisory Council and. By Frederick H. Elwell, P.E., 146, June.

Water Utility Financing Through A Water bank, By Robert T. Symonds, 61, March.

What Are the Utility Organizations About? By John Porter Hennings, 8, March.
